Elk Meadows Elementary Patrons,

Elk Meadows's enrollment stands at 841 students. We have Kindergarten Orientation on February 23rd. If you have any neighbors with students who will be attending Kindergarten, please encourage them to come in and register at school.

We appreciate your help in making the drop-off/pick-up area outside the school as safe as possible. To help accommodate all of the cars that use the area, I wanted to remind you to please not park in the drop-off lane. Drivers must stay with cars and if we keep things flowing there will be less congestion and more happy patrons.

I recently read an article about Creating a Culture of Literacy. One thing we can do to help our students become better readers is to make reading fun for them. To make it fun, we simply have our students see adults enjoying books. I encourage you to discuss with your students what books you are enjoying reading yourself, ask them about what they are reading, and model for them how you enjoy a good book.

Thank you for your continued support and for making Elk Meadows your school of choice!

Aloha,

Aaron Ichimura
