

Elk Meadows Elementary Patrons,

Elk Meadows's enrollment stands at 823 students.

We look forward to seeing you at Parent Teacher Conferences on 11/7 and 11/8. We are having an Immunization Shot Clinic on 11/8 between 2:00 and 5:00 PM. As a reminder, there is no school on 11/9. Thanksgiving Recess is on 11/21, 11/22, and 11/23. Tuesday, 11/20 is a regular day with no early dismissal.

As cold weather is about to hit us, please make note of what determines an inside day here at our school. For air quality, when Particulate Matter (PM2.5) is above 90, an inside day is called. PM2.5 levels are checked at www.airquality.utah.gov. When precipitation occurs that would cause students to be wet, and inside day is called. When the temperature is 20 degrees Fahrenheit (counting wind chill), an inside day is called. Orange flags are posted out the front entrance and east entrance when an inside day is called signaling students are to enter the school when they are dropped off. Please help students remember to bring a coat to help keep them warm outside.

Thank you for your continued support and for making Elk Meadows Elementary your school of choice. We are immensely thankful, especially during this season of gratitude, for the opportunity to work with you and your students.

Me ka mahalo nui (With much gratitude),

Aaron Ichimura
Principal, Elk Meadows Elementary
