Elk Meadows Elementary Patrons,

Elk Meadows's enrollment stands at 851 students. Students have been a pleasure to work with as we transition into warm weather and we wish you a Happy Spring.

Please remember we are entering End of Year Testing season and appreciate your cooperation in making this process successful. If your student is going to be missing any time during our testing window, please let your teacher know so that they can plan appropriately for make-up testing. A good night's rest and a healthy breakfast help them perform their best.

During pick-up and drop-off in the mornings, we remind you to only allow students to enter or leave the car from the right hand lane in front of the school. The left lane is a pass through lane. Let's keep students safe by using lanes appropriately. We appreciate volunteers who from March 5th-March 9th helped us direct traffic, and monitor students outside as we made a push for Safety in our Pick-Up and Drop-Off zones, including Bus Areas.

Author Paul Tough shared that children's environment contributes to their success. Please join us in creating an environment for students helping them understand they belong. We all believe they can succeed. Their efforts make them smart. We try to give them these messages at school and encourage you to do the same at home.

We look forward to seeing you at Parent Teacher Conferences on March 14th and 15th. Thank you for your continued support and for making Elk Meadows your school of choice!

Aloha,

Aaron Ichimura
Principal, Elk Meadows Elementary

Birthday Lunches
