

Pink Page

Elk Meadows Elementary Patrons,

Elk Meadows's enrollment stands at 833 students. Our students have been doing a terrific job on their End of Year Computer Based Testing. We appreciate your support in helping students prepare to take tests and to be in attendance.

Teacher Appreciation Week was a wonderful celebration of Harry Potter provided by our PTA. Our teachers are truly the best we could hope for to work with your students. Thank you for supporting them and letting them know how much they are appreciated.

Please be sure to join us for our ARTS Open House happening Thursday, 5/18 starting at 5:30 PM. We will enjoy presentations from our individual students, as well as our choir that has been working so hard mornings before school on their presentation.

Students have probably mentioned some construction happening on our school grounds. We are lucky enough to receive a playground upgrade, happening right now. We are receiving some new portables. Additional blacktop space is being added so basketball, tetherball, and foursquare activities can continue. You should also ask your students about Buddy Benches we were able to receive thanks to a grant written by our Guidance Counselor.

If you know of anyone who lives in our school boundaries that is considering attending our school next year, please encourage them enroll with us as soon as possible. We are preparing to assign classes for each grade and are determining how many teachers we will need for 2017-2018. As always, thank you for making Elk Meadows your school of choice.

Aloha,

Aaron Ichimura
Principal, Elk Meadows Elementary
