

# Pink Page

Elk Meadows Elementary Patrons,

Welcome back to Elk Meadows Elementary! I am excited at the prospect of the new school year. Our enrollment currently stands at 847 students. We have enjoyed a smooth start to our school year. I know I speak for our entire faculty when I say we are all thrilled to have the privilege of working with your students this year.

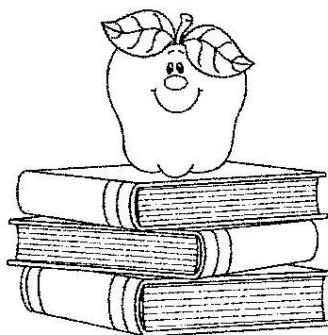

If you haven't had a chance to check out our updated school website, it is now up and running at <http://schools.jordandistrict.org/elkmeadows/>, or by following the links from the Jordan District website at <http://www.jordandistrict.org/>. You can also sign-up to receive school updates by following us @ElkMeadowsElem on Twitter and Instagram. We will also be sending out newsletters via email, called the Elk Meadows Examiner, so please make sure your email address on Skyward is current.

School Community Council Nomination Forms will be coming home for those interested in participating to fill out. SCC is a great opportunity to be involved with things that happen here at our school. It requires being available to meet on Friday afternoons a handful of times this year.

A great way to start your school year is through positive connections with your students. Small interactions matter and if you can have at least three positive interactions with your students for every one time your students are scolded or in trouble, students will benefit greatly. Let's make this year an awesome one!

Aloha,

Aaron Ichimura  
Principal, Elk Meadows Elementary

## **Birthday Lunches**

September 5

## **No School Labor Day**

Sept 3

## **PTA Spirit Nights**

Chik Fil A

September 25 from  
5-7pm
