Elk Meadows Elementary Patrons,

Elk Meadows Elementary's enrollment stands at 874 students. We welcome the upcoming warm weather of Spring and have enjoyed our Winter this year.

Please remember we are entering End of Year Testing season and could really use your cooperation in making this process successful. If your student is going to be missing any time during our testing window, please let your teacher know so that they can plan appropriately for make-up testing. Helping your child get a good night's rest and a healthy breakfast also helps them perform their best.

We look forward to seeing Tracks C & D at Parent Teacher Conferences on March 22nd and 23rd.

Betsy Wierda from The Leader In Me shared, "The Leader In Me process starts from a powerful premise—every child possesses unique strengths and has the ability to be a leader—which shapes the views of staff to value and develop the whole child. The process integrates leadership development into existing programs, curricula, and traditions and serves as a foundational operating system for the school, improving relationships, transforming culture, and highly motivating staff and students. All stakeholders are impacted by *The Leader in Me*, starting with the staff of a school, then expanding to students, their families, and the community at large." We believe all of our students are leaders. They have a variety of strengths and we are so appreciative we get to work with them. I encourage you to ask your students what they've learned about the 7 habits of leadership this year.

Thank you for your continued support and for making Elk Meadows your school of choice!

Aloha,

Aaron Ichimura
Principal, Elk Meadows Elementary

Chik Fil A spirit night

Mar 14th 5-8pm

Birthday Lunches

Mar 15th

C & D track parent teacher conferences

March 22-23
