

Elk Meadows Elementary

School Community Council

Minutes

November 15, 2018

Meeting was called to order at 3:45p.m.

We started our meeting by welcoming members to our meeting. Our minutes were approved via email.

We discussed school boundaries were decided and released this week. Please visit <http://boundary.jordandistrict.org> for boundary to review the boundaries and familiarize yourself with the new permit process. More information on permits will be forthcoming.

We discussed the procedures for Land Trust money allocation and the need for the faculty to discuss among their peers the deadline for being a part of the January meeting agenda. Any presentation would need to be made at the January meeting for consideration in the 2019-2020 SCC Land Trust Budget.

The meeting was opened to member concerns and we discussed where to find more training and information on the community council and the land trust process at:
