

Parents,

We are working hard to have everything ready for you and your child to begin their online learning starting Wednesday morning. You will be receiving an email from your child's teacher on Tuesday evening giving you instructions on how to proceed with their online learning. We are excited about this endeavor and hope you find it valuable in continuing your child's education.

Here are a few reminders about what is going to happen on Tuesday and Wednesday. Procedures have changed based on the recommendations of the district and the CDC so please read carefully.

Chromebook Checkout

We will be checking out Chromebooks on **Tuesday, March 17th from 9:00-3:30** in the front foyer of the school. We want to align with new health guidelines, we will only be allowing 5 families in the building at a time. We want you to know that each Chromebook has been cleaned and the building is safe to enter. We are just taking precautions to limit the amount of people in the buildings and following the guidelines of the CDC.

A parent or guardian must come to check out a Chromebook because you will need to fill out and sign a user agreement but students do not need to come to check out. We have attached the user agreement if you would like to print and fill it out before coming to the school you may.

If you have questions or an issue with the Chromebook please contact your child's teacher and they will help to troubleshoot any problems.

Wi-fi Access

The district will be increasing the strength of our Wi-fi capability to enable you to access it from your car in the parking lot. This will allow you to come and park your car and use the Wi-fi if you do not have access to it in your home. The wi-fi user name is JSD-Guest and the password is jsdguest.

Breakfast and Lunch Procedures

Starting **Wednesday, March 18th** we will be serving breakfast and lunch curbside out of our cafeteria. Please drive through the parent pick-up/drop-off lot on the east side of the building. A staff member will come to your car with the meal bagged and ready to go. All we will need to gather is your students' lunch number. If you or a child not registered at a Jordan District school would like to eat, you are welcome to. Meals will cost \$3.30 for an adult or child not registered at a JSD school. We can add those lunch charges to your child's account. If you bring cash please know we don't have the ability to make change. You have access to your child's lunch account online in the event that you need to add money.

Breakfast: 8:00 AM - 9:00 AM

Lunch 11:00 AM - 12:00 PM

Please remember we are working as quickly as we can to have these systems set up to help them run smoothly for our community. Be patient with us as this is uncharted territory. Your children's teachers are excited to start our online learning and are here to answer any questions you might have along the way.

Thank you for the support you have shown to Elk Meadows. We missed having your children here today. School is not the same without them!

-Your Elk Meadows Team
