Text Description of Walking Routes

In this section you should divide your walking map into sections or zones and then provide a written description of the path students should take to walk to school. This description should accompany the visual map. **PLEASE HIGHLIGHT CHANGES FROM PREVIOUS SNAP PLAN.**

From home location, stay on sidewalks, cross at intersections, and head towards 9800 South. If utilizing 3200 West, stay on the West side of the street to avoid areas where there is no sidewalk. Approaching the school from the West on 9800 South, use the South side of the street to cross Bangerter Highway where the overpass crosswalk is located.
