

# 3rd Grade Family Newsletter

**Mission:** Elk Meadows Falcons are growing to be resilient, lifelong learners.

**Golden Gate: I Will Make Someone's Day.**

**Date: February 6, 2023**

## Grade-Level Events

- Please continue to practice multiplication and division math facts at home.
- Continue reading 20 minutes a day, and send back reading logs.
- Valentines Day Party on Monday February, 14. We are providing white bags for students to place valentines in. Please do not bring valentine boxes from home.
- When labeling valentines, have your child only put who it is from.

## Math

Focus: We are starting a new unit of math. We have started learning fractions! Yay! The students are loving it! 😊

Students will build fractions from unit fractions and explore fractions as parts of a whole.

Example:

## Language Arts

Focus: We have been focusing on opinion writing. The students have done really well at introducing the topic, stating their opinion, supplying 3 reasons, and providing a concluding statement.

We are still continuing to focus on main idea. Our target skill is sequencing events, for our next story we are reading.

Home connection: As your child reads, have them ask questions that relate back to the text for you to answer.

## Science

Focus: We will be rotating again for Science rotations in a couple of weeks. Students will be learning from a different 3rd grade teacher for the next 3 weeks. The following is the topic that they will be studying.

Water and Climate- Mrs. Steenblik  
Motion and Matter- Mrs. Seehusen  
Structures of Life- Mrs. Huish

## Social Studies

Focus: We will be rotating again for Science/Social Studies rotations. Students will be learning about geography around Utah and explore on Google Earth.

Social Studies- Mrs. Vail  
Mrs. Wilkinson

## Family Connection/Additional Information
