

# 3rd Grade Family Newsletter

**Mission:** Elk Meadows Falcons are growing to be resilient, lifelong learners.

**Golden Gate: I will include everyone.**

**Date: March 6, 2023**

## Grade-Level Events

- Please continue to practice multiplication and division math facts at home.
- Continue reading 20 minutes a day...or MORE!
- Work on telling time on an analog clock.

## Math

Focus: Data and Measurement

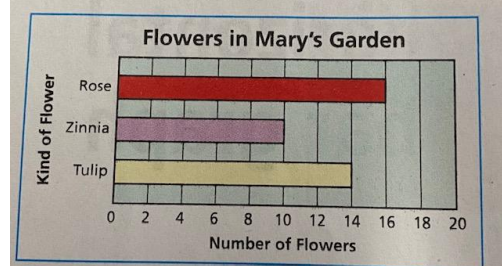

Example: We are working on telling time on an analog clock along with finding elapsed time.

We are also working on frequency tables and bar graphs.

A table that shows how many times each event, item, or category occurs.

Frequency Table	
Age	Tally
7	1
8	3
9	5
10	4
11	2

A bar graph with horizontal bars.

## Language Arts

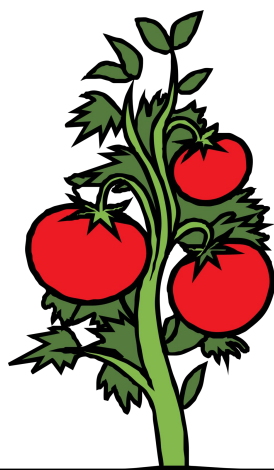

Focus: We are continuing to focus on opinion writing. The students have done really well at introducing the topic, stating their opinion, supplying 3 reasons, and providing a concluding statement.

We are continuing to work on cursive handwriting.

## Science

Focus: We will be rotating again for Science rotations in a couple of weeks. Students will be learning from a different 3rd grade teacher for the next 3 weeks. The following is the topic that they will be studying.

Water and Climate- Mrs. Steenblik  
Motion and Matter- Mrs. Seehusen  
Structures of Life- Mrs. Huish

## Social Studies

Focus: We will be rotating again for Science/Social Studies rotations. Students will be learning about geography around Utah and explore on Google Earth.

Social Studies- Mrs. Wilkinson  
-Mrs. Vail
