Home Connection: Ask your child which strategy they like the best and have them explain to you how it works.

Language Arts

Focus: I can identify other vowel phonemes in syllables (/oo/ as in ooze, /oi/, /ou/, /oo/ as in book, /aw/).

Examples:

ooze, true, zoo
toy, void, coin
ouch, plow, cow
book, wood, should, foot

Some vowel sounds are not categorized as long, short or r-controlled. These vowel sounds are called "other" vowels.
