Grade-Level Events

★ Welcome back to school

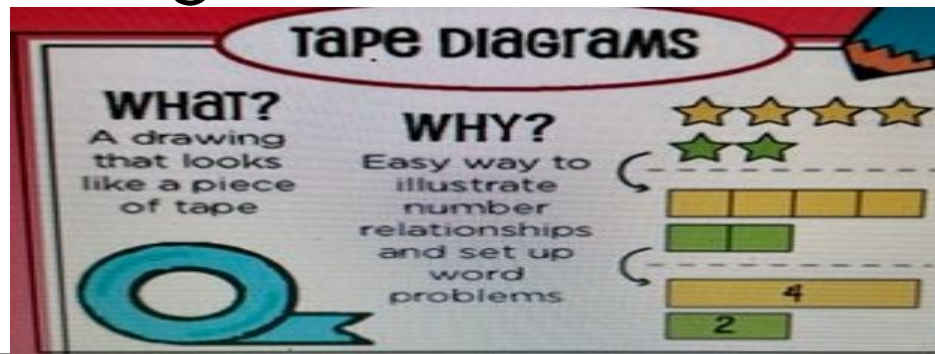

Math

Focus: I can apply and extend previous understandings of multiplication and division to divide fractions by fractions.

Example:

How many of these in that?

Language Arts

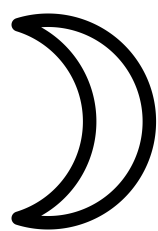

Focus: I can determine the theme of a text and how it's conveyed in details.

Example: We are stronger together than we are apart. Find supporting evidence to help prove this theme.

Science

Focus: I can describe the cyclic patterns of lunar phases.

Example: Students observe the moon pattern that recycles every 28 days and are able to know the names of the different phases.

Social Studies

Focus: I can Analyze how the earliest civilizations created technologies and systems to meet community and personal needs.

Example: The Egyptians learned how to make durable sheets of parchment from the papyrus plant. It was used for important documents and religious texts. The Egyptians kept the process to make the sheets a secret so they could sell the parchment to other civilizations such as Ancient Greece. Medicine
