Mission: Elk Meadows Falcons are growing to be resilient, lifelong learners.
Golden Gate: I will be a true friend.
Date: November 8, 2021

Grade-Level Events

- Please tell your student to **secretly** repeat this tongue twister to their teacher, "Pilgrim Pete passed pumpkin pie pieces perfectly." for a sweet treat.

Math

Focus: We will are continuing to work on multiplication facts 6's, 7's, and 8's. We will also be digging deeper by working on story problems and solving areas of rectangles.

Home Connection:
Here is a fun game that will help your students practice area.

Language Arts

Focus: We have been working on writing informative text. Students have learned how to introduce the topic, include facts, and use linking words and phrases to connect ideas. They also provided a concluding statement. Our first informative piece was on bats, and the students did a great job! We are going to be starting a new paper soon.

Focus: In reading we are focusing on sequencing, analyzing/evaluating, and learning synonyms.

Science

Focus: We will be rotating again for Science rotations in a couple of weeks. Students will be learning from a different 3rd grade teacher for the next 3 weeks. The following is the topic that they will be studying.

Water and Climate- Mrs. Marsden
Motion and Matter- Mrs. Seehusen
Structures of Life- Mrs. Huish

Social Studies

Focus: We will be rotating again for Science/Social Studies rotations. Students will be learning about geography around Utah and explore on Google Earth.
