

3rd Grade Family Newsletter

Mission: Elk Meadows Falcons are growing to be resilient, lifelong learners.
Golden Gate: I Will Make Someone's Day.
Date: February 7, 2022

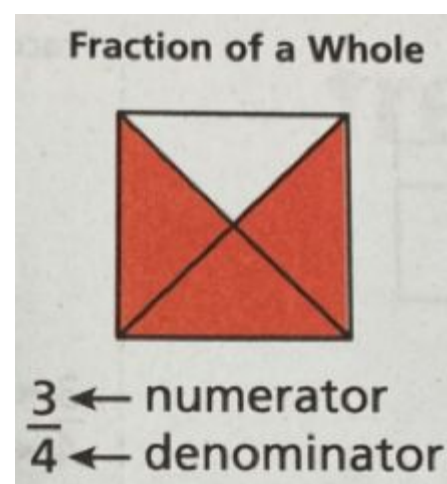

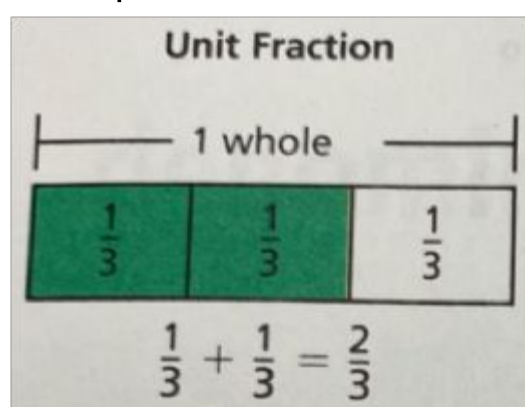

Grade-Level Events

- Please continue to practice multiplication and division math facts at home.
- Continue reading 20 minutes a day.
- Valentines Day Party on Monday February, 14. We are providing white bags for students to place valentines in. Please do not worry about doing valentine boxes at home.
- When labeling valentines, have your child only put who it is from.

Math

Focus: We are starting a new unit of math. We have started learning fractions! Yay! The students are loving it! 😊
Students will build fractions from unit fractions and explore fractions as parts of a whole.

Example:

Language Arts

Focus: We have been focusing on opinion writing. The students have done really well at introducing the topic, stating their opinion, supplying 3 reasons, and providing a concluding statement.

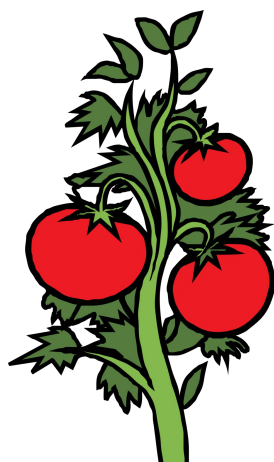

We are still continuing to focus on main idea. Our target skill is sequencing events, for our next story we are reading.

Home connection: As your child reads, have them ask questions that relate back to the text for you to answer.

Science

Focus: We will be rotating again for Science rotations in a couple of weeks. Students will be learning from a different 3rd grade teacher for the next 3 weeks. The following is the topic that they will be studying.

Water and Climate- Mrs. Marsden
Motion and Matter- Mrs. Seehusen
Structures of Life- Mrs. Huish

Social Studies

Focus: We will be rotating again for Science/Social Studies rotations. Students will be learning about geography around Utah and explore on Google Earth.

Social Studies- Mrs. Wilkinson
