

3rd Grade Family Newsletter

Mission: Elk Meadows Falcons are growing to be resilient, lifelong learners.

Golden Gate: I will include everyone.

Date: March 7, 2022

Grade-Level Events

- Please continue to practice multiplication and division math facts at home.
- Mrs. Marsden's class has won Randy Raccoon all year! Congratulations!
- Continue reading 20 minutes a day...or MORE! So we can beat Mrs. Marsden's Class!
- Work on telling time on an analog clock.

Math

Focus: Data and Measurement

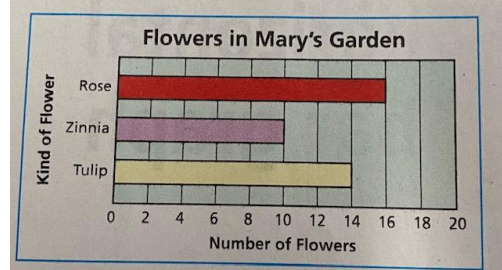

Example: We are working on telling time on an analog clock along with finding elapsed time.

We are also working on frequency tables and bar graphs.

A table that shows how many times each event, item, or category occurs.

| Frequency Table | |
|-----------------|-------|
| Age | Tally |
| 7 | 1 |
| 8 | 3 |
| 9 | 5 |
| 10 | 4 |
| 11 | 2 |

A bar graph with horizontal bars.

Language Arts

Focus: Writing a comparing and contrasting paper.

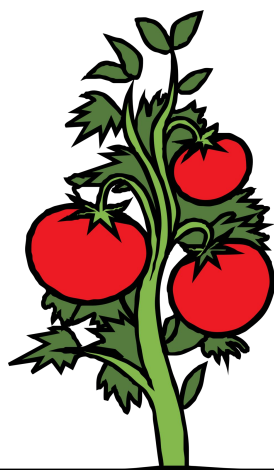

Example: We will be comparing Polar Bears and Brown Bears. Students will write how they are alike and different. We are working on punctuation and spelling in our writing.

We are continuing to work on cursive handwriting.

Science

Focus: We will be rotating again for Science rotations in a couple of weeks. Students will be learning from a different 3rd grade teacher for the next 3 weeks. The following is the topic that they will be studying.

Water and Climate- Mrs. Marsden
Motion and Matter- Mrs. Seehusen
Structures of Life- Mrs. Huish

Social Studies

Focus: We will be rotating again for Science/Social Studies rotations. Students will be learning about geography around Utah and explore on Google Earth.

Social Studies- Mrs. Wilkinson
