

4th Grade Family Newsletter

Mission: Elk Meadows Falcons are growing to be resilient, lifelong learners. Golden Gate: I will be a problem solver. **Date:** April 4, 2022

Grade-Level Events

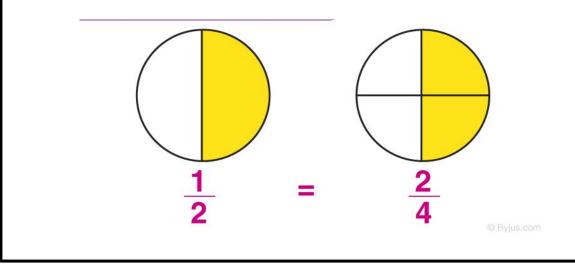

4th grade will be visiting the Utah Capitol and Pioneer Memorial Museum on Wednesday, April 6, 2022. We are excited to learn about Utah's government and history.

Math

Focus: I can write two or more equivalent fractions on my own and draw a supporting model.

Example:

<u>Science</u>

Focus: I can explain how energy can be transferred using renewable energy sources (such as light, wind, or motion).

Language Arts

Focus: I can produce clear and coherent writing in which the development and organization are appropriate to task, purpose, and audience.

Example: Look for real-world examples of good-quality writing. Discuss with your child how you use good writing every day, whether you are the one reading it or creating it. Why is writing an important skill for all of us to develop?

Social Studies

Focus: I can describe the historical and current impact of various cultural groups on Utah.

Example: What are the sources of alternative energy in your region? Are there any solar or wind farms or geothermal or hydroelectric plants in your area? Do you know of a friend or family member who knows a lot about any of these ways to produce electricity? Or do you know of anyone who has an electric car? Can you interview them and find out how they work? Maybe you can interview them by phone or online.

Example: Discuss with your child your own family's cultural background, including any interesting stories of immigration in your family history. Take some time to learn about some of the other cultural groups that call Utah home.

Family Connection/Additional Information

- Spring Break is April 15-April 22. Enjoy your time away from school!
- Please see the back of this newsletter for information about RISE Testing dates and success tips.
- **<u>Reading Daily</u>**: Please help your child to make and keep a goal of reading 20-30 minutes every day!
