

Falcon Families,

We have made it to April! I would like to thank our fantastic PTA and wonderful community for your support of our Break the Rules Day fundraiser. With your help, we were able to raise \$18,927.65!!! All of this money goes right back to Elk Meadows to pay for things like field trips, teacher appreciation week, classroom supplies, and PTA sponsored events and activities.

Next month's Golden Gate Pledge is, "I will be a problem solver". In our virtual assembly, I read a book about being a problem solver and talked with students about one way we solve problems in my family. I taught them about rock, paper, scissors and told them that is one great way to decide who goes first or gets to make a decision. This month, take the opportunity to help your child find ways that they can be a problem solver at home and at school.

April means end of level testing is near. Please watch for information from your child's teacher about their testing dates and times. It really helps to have each student here for testing! Please contact the front office if you have any questions.

If you haven't registered your kindergarten student, now is the time! This helps us with staffing and ensures your child a spot in our program for next year! Please be sure to come in or call the front office with any questions you might have.

#### Important Dates This Month

April 15 <sup>th</sup> , 18 <sup>th</sup> -22 <sup>nd</sup>	Spring Break - no students attend
April 29 <sup>th</sup>	Professional Development Day for teacher - no students attend

Happy Spring,  
Mrs. Smith
