### School Safety Spotlight

We will be practicing an earthquake drill this month for our monthly drill. We will be able to participate in The Great Utah Shakeout!

Please ask your child about this as the month goes on. We are learning to implement procedures such as this to ensure confidence and safety in case of an emergency.

## Save the Date

Our students are working hard to prepare for our school's productions of Willy Wonka Kids! We are so proud and so excited to see all their hard work in action.

Please come and support our Falcons!

The performance dates are:  
May 14th, 15th, and 16th  
from 6:30pm-7:30 pm

"I can be a problem solver"

Each month we focus on a social skill that helps us be successful at school. Talk with your children about appropriate boundaries and ways to set them.
