

August 2020

Hello Falcon Families,

I know you are all anxiously awaiting our school reopening plan. Elk Meadows staff are excited to be back together, things will just look a little different. We have a good plan that follows all required guidelines from Jordan District and the local health department while maintaining high academic standards, and most importantly, getting students back in the classroom learning. I have submitted that plan and am waiting for approval. Once it is approved, we will send that out via Skylert and it will be posted to our website as well.

Online registration is now open and a letter should be arriving at your home soon with your login information to enroll. Please get your online registration completed, this will help our front office better plan for students who will be returning back to school this year.

In light of all of the changes due to Covid, we will be pushing back the date that classroom teachers will be released. We are hoping that you will be able to view your child's teacher on Skyward August 17th. We will communicate that date via Skylert as soon as we are able.

Back-to-School Night was voted on by the Jordan District Board of Education to be presented online. We are working to get that up and we will send out more information soon. Please note that on August 17th you will not attend back to school night in person but you will get an orientation online.

Please know that we are working as fast as we can with the information that we have. We know you are anxious for information and as soon as we have it, we will send it out! Thank you for your support and your patience with us. This is uncharted

territory for all of us. Thank you for continuing to trust us with your children. We feel very lucky to work with the most supportive community! My door is always open, as is my inbox and phone line. If you have questions or concerns, please do not hesitate to reach out to me.

Can't wait to be back with you in person,
Mrs. Smith
