

Falcon Families,

We are so excited to get back to school!!! I can't wait to tell you about some of the great things that are happening this year at Elk Meadows Elementary! We have a new full-time assistant principal, Mrs. Morgan. She comes to us from Granite School District and has been a 4th and 6th grade teacher as well as an administrative intern. She enjoys going to concerts with her husband, taking care of her cats, and reading... LOTS of reading! I have gotten to spend the summer preparing for the upcoming school year with her. She has already become a very important part of our Falcon Family, make sure to give her a warm welcome when you get to meet her!

Our teachers are already back in the building preparing for students! We want to make sure that you know our Back to School Night is happening on August 17th from 4:00-6:00. This will be open house style for you to come in and see your child's classroom and meet your child's teacher.

As you might have noticed we have had some construction going on at our school this summer. Our east parking lot has been reconstructed to meet the needs of our buses. The parking lot that is accessible from 9800 South (directly in front of our school) will now be the parent pick-up and drop-off lot. We will be sending more instructions on pickup and drop-off soon!

Our office is open from 8:00-3:00 if you need help registering your child, don't hesitate to reach out.

We can't wait to see you at Back to School Night,

Mrs. Smith
