OCTOBER NEWSLETTER

Coming Up: Parent Teacher Conferences

We are excited to welcome everyone this week for parent teacher conferences. If you have not signed up for an appointment yet, please go into the online scheduler to sign up for an appointment with your child's teacher. Teachers will be prepared to update you on your student's progress in their class. It will also be an opportunity to see a bit about how proficiency base learning is going in our classes.

Please remember, our teachers are on a tight schedule those evenings and they want to give each student the time and attention they need. We are excited to see you all!

Coming up:

Each year Elk Meadows students participate in a boxed cereal drive for the Utah food bank. We also collect hats and gloves under our front office Christmas tree for a local title 1 elementary school. Stay tuned for more info in November!

Changing weather

As the weather changes please remember to send your child with a jacket and appropriate shoes for the playground. Unless the temperature reaches below 21 or it is raining or snowing students will go outside

From the desk of Mrs. Smith

I wanted to thank you all for your support of our 25 year anniversary carnival! I was thrilled with the turn out and it was such an enjoyable time to watch students have fun with each other and their families. Huge thanks to the PTA for their organization, funding and planning. Thank you to the Elk Meadows teachers and staff for volunteering your time and supporting such a wonderful Falcon Family event! I enjoyed spending time with you and your children. This event took so many hands to make it successful and shows just what a wonderful place this is!!!

From Mrs. Morgan, our Assistant Principal

As the weather gets colder, more people will be using our parking lot and dropping kids off/picking them up. Please remember that our front lot is where students can be dropped off and picked up.

The East lot is exclusively for our buses, this is particularly important as we work to keep your kids safe. You will also see our Safety Patrollers out helping us to all follow our outside expectations. Help them by following their lead to guide cars and students before and after school. There are also teachers outside to help! The best way you can help us is by being patient and demonstrating that for our students!

"Personal Responsibility."

Each month we focus on a social skill that helps us be successful at school. Talk with your children about ways you like them to show responsibility

Social Skill for October

Halloween is upon us

Halloween is always a fun day at Elk Meadows. We will kick the day off with the 6th grade performance of Thriller at 9:30 and the student parade outside to follow. Watch for more info on your child's class celebration!
