

Elk Meadows School Community Council
Nov 9, 2022
Minutes

1. Netsmartz

This program is now called . Our school has already done the program for the year. It is about online safety. It is an assembly and includes in class lessons for grades 3-6. Melissa Darby motioned to continue using this program next year; Caroline Morley second.

2. Landrust

Currently we pay for Walk to Read Assistants, part of Mr. Duncan's salary, teacher training and substitutes for lesson studies, chromebook replacements. Any new ideas need to be brought to our next meeting in January.

3. Safe Route

Everything is going pretty well this year with the expansion of our parking lot and new area for buses. We still have some parents and students crossing in the middle of the road. Principal Smith will address this in her next newsletter. Next year we will have a problem when they start the construction on 98th. How will the students that use the bridge get to and from school? The district/UDOT might be providing buses for those students until a new bridge is built. Also we love the new bus app!!

4. Playground Equipment

Principal Smith provided us with details about playground carts that she felt would be wonderful to use our Memory book fundraiser money on. We will purchase two carts-one for upper grades and one for lower grades. The lunch aids will be in charge of bringing the carts in and out of the building and collecting the gear. Each cart has 122 pieces of equipment for the children to play with during lunch recess. We agreed to purchase the carts and will use our fundraiser money from this year to help replenish any needed equipment next year.

5. Emergency Preparedness Buckets

Thinking about our Reunification plan and Emergency Preparedness Principal Smith would like to put together donations for "bathroom buckets." Our Council will be in charge of setting up an amazon wish list for the buckets and putting them together. Supplies needed: 10 5-gallon buckets, garbage bags, toilet paper, gloves, hand sanitizer, throw up bags, 4 pop up changing tents, water bottles, toilet lid on the bucket.

6. Yearbooks/Fundraiser Money

Two more days to turn in pictures for the cover contest. Students will vote Monday on top 5 lower grade and top 5 upper grade pictures. Teachers will remind students today. Also, reminder as we are in classrooms to take pictures and send to Caroline for memorybook.

Next Meetings: 1/11/23, 3/8/23, and 5/10/23
