

Elk Meadows School Community Council  
March 12, 2026 Minutes

In attendance: Tiffany Smith, Stacey Fangalua, Melissa Darby, Lisa Bird, Shauna Hill, Laura Jensen, Shannon Bird, Jo Brown, Erin Barrow

1. Land Trust/TSSA

Principal Smith went over her plans for next year. Most things are staying the same. Trust Lands will be paying for Walk to Read Assistants and materials, classroom assistants, our Beverly Taylor Sorenson specialist, Wit and Wisdom materials, technology if funds are left over and if needed. TSSA money will be spent on coaching for teachers, professional development, and school based incentives. Shannon Bird motioned to vote, Lisa Bird second the vote. There was anonymous approval from the committee.

2. NetPositive/Wired Well: How was the assembly? Do we need more?

Cole from Wired Well was great. He is more responsive this year and we would like to continue with him.

3. Memory Books Update: Committees for next year

Lisa is working through it all but feels overwhelmed and would like more help for next year. Melissa Darby offered to help collect the pictures and upload them to the program. Principal Smith said she would offer a stipend to a teacher to also help collect the pictures. The committee wants to continue spending the money made from memory books on recess and P.E. equipment.

Membership for 26-27 School year:

Shannon Bird and Jo Brown will be second term members. Laura Jensen, Lisa Bird, and Melissa Darby were second term members this year. We would love to have them back next year as first term members.

See you next School Year
