

Hello Friends!

WELCOME to your GOLDEN GATE MOVEMENT School!
WITH US, YOU BELONG!

WHO ARE WE?

Golden Gate Kids is a pro-social program that empowers students to *connect* with peers and school through pro-social behaviors such as kindness, inclusion, positivity, and outreach. Our hands on approach instructs students in the various attitudes, perspectives, and soft skills needed to help strengthen interpersonal relationships.

WHY THE NAME GOLDEN GATE?

The Golden Gate Bridge is an iconic symbol of connection as it was built to *connect* an isolated community.

CONNECTION

Connection is crucial to mental health. Students who feel more connected to peers, teachers, staff and administrators are less likely to struggle with bullying, social obstacles, and isolation.

BRIDGE BUILDER!

We **LOVE** our students! Emotionally connected children do better academically! Students will become Bridge Builders by learning to build their best selves and others around them.

GOLDEN GATE KIDS

GGK Kids are the ones who smile, befriend the friendless and make a difference wherever they go! They are the superheroes of the school!

PLEDGE

Students will learn that a **Pledge** is a promise to themselves. They will learn to apply the GGK pledge of the month and they will spend the year implementing articles of the pledge to self, classmates, family, and community.

We are so excited to work with your students, and help them make a difference in their lives, communities and the world!

Sincerely,
Jolynne Ward
