

3rd Grade Family Newsletter

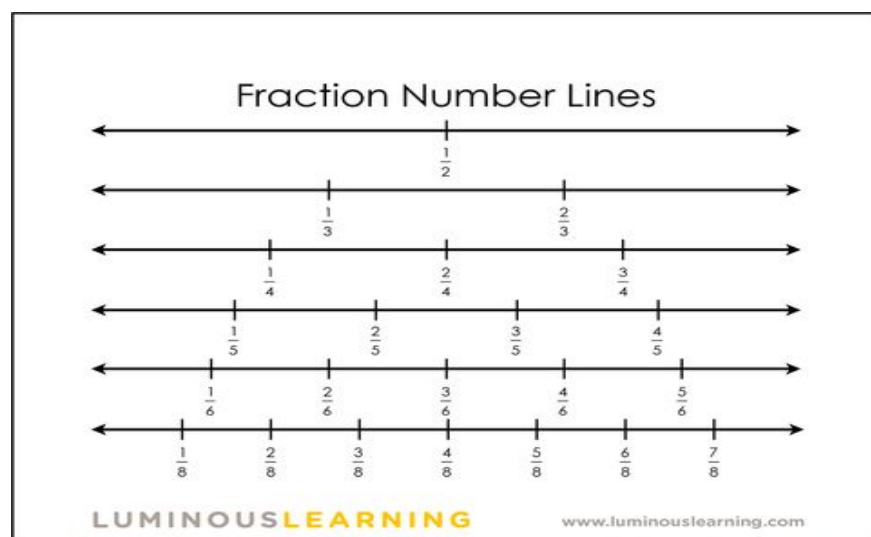

Mission: Elk Meadows Falcons are growing to be resilient, lifelong learners.
Date: March 3, 2025

Grade-Level Events

- Please continue to practice multiplication and division math facts at home.
- Continue reading 20 minutes a day...or MORE!
- **Work** on telling time on an analog clock.
- March 7th - Kids market place 9 - 11 in the gym. Kids can dress up as their profession.

Math

Focus: We have been learning to identifying fractions, equivalent fractions and fractions on a numberline. We will be learning to tell time on an analog clock and different forms of measurement.

Language Arts

Focus:

We have started Module 2 for Wit and Wisdom, Outer Space!

We will be studying in depth, how people, artists, illustrators, and scientists explore outer space.

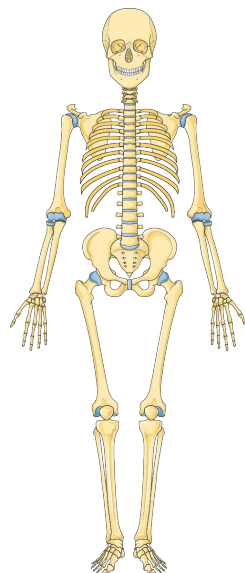

RISE testing will be in May. Watch for specific dates, so your child does not miss the testing days.

Science

Focus: We are rotating again for Science. Students will be learning from a different 3rd grade teacher for the next 3 weeks. The following is the topic that they will be studying.

Water and Climate- Mrs. Steenblik

Structures of Life- Mrs. Huish

Social Studies

Focus: We are rotating for Science/Social Studies. Students will be learning about geography around Utah and explore on Google Earth.

Social Studies- Mrs. Wilkinson
