BE THE ONE

by Momma Jo

YOU are **ONE** choice away from changing a life! In the book, One Choice, Author Mac Anderson said, "*One tree can start a forest, One smile can begin a friendship, One hand can lift a soul, One word can frame the goal, One candle can wipe out darkness, One laugh can conquer gloom, One hope can raise our spirits, And... One choice can change your [and another's] life.*"

The word **proximity** is one of Golden Gate's vocabulary words this month. Proximity means nearness or closeness. We all have a need to feel a positive connection to those with whom we come into contact. Proximity allows people the opportunity to get to know one other and discover their similarities—all of which can result in the ability to have positive interactions. As we **increase our efforts** to reach out with kindness, the more likely these interactions will build inclusive environments, self-confidence, and cultivate personal friendships to last a lifetime.

PARENT/GUARDIAN CHALLENGE:

This month, we challenge each of you to create a picture including every family member's idea. Each family member will pick a color and a shape. Then, create a big family picture including everyone's idea. Make sure each family member has a chance to draw and add to the picture.
