Before Starting the meeting we voted in Melissa Darby as a new voting member to fill the spot of Emily Mallory who moved. Tiffany Smith motioned the vote and Shannon Bird seconded the motion.

1. TSSA and Landtrust Review

Principal Smith presented both budget plans for the 2025-2026 school year. We continue to focus on aids for reading, Mr. Duncan and other specialists, stipends for teachers for professional development, a character building program, and money to replace old technology.

The group is on board with the goals of our principal. Melissa motioned the vote and Lisa seconded the vote to pass the plans with approval of all members

2. Memory Book

Lisa has been working hard collecting pictures and putting together the memory book. All books needed to be purchased by March 21. We discussed purchasing 20 books from the committee to gift at the end of the year; the office will purchase 30 extra books to sell to parents who have forgotten. This is a total of 10 more extra books than we purchased last year.

3. Wired Well

We have really struggled getting Cole to communicate and complete the technology assembly. He is scheduled to come at the end of the month. Next year we will consider other options if he does not have the rest of the curriculum finished.

See you all next year!
