Dear Elk Meadows Patrons,

In accordance with district policy, a School Community Council consisting of school employees, the school principal, and parents or guardians of students attending the school must be organized for the 2021-2022 school year.

Members of the School Community Council participate in the development and implementation of the following:
- Comprehensive School Improvement Plan
- School Landtrust Grant
- School Professional Staff Development Plan
- School Neighborhood Access Plan
- Community discussion of school related concerns
- Fundraising activities

Elk Meadows is currently seeking candidates for this year's School Community Council.  Each term on the council lasts two years. If elected, you will attend five meetings a year and your email address and phone number must be posted on the school website.  To become a candidate, please fill out the bottom of this document and return to the front office by Friday, September 24, 2021.  If there are enough Council positions for candidates interested, an election will not be necessary.  If needed, ballots will be set home the last week in September. The Council will be announced the first week in October once ballots are returned.

In order for the Council to take action on any issues, a majority of members must be present at any given meeting.  Please do not volunteer to participate if you cannot regularly attend meetings.  Meeting will be held on Wednesday mornings from 9:15-10:15.  We will hold five meetings over the course of the school year, dates will be determined at our first meeting which will be held Wednesday, October 13, 2021.

Thank you for your continued support in helping make Elk Meadows a great place for students to learn.
