

Elk Meadows

SEPTEMBER

Welcome Back!!!

Falcon Families,
Thank you so much for a great start to our school year! It has been fantastic to have our classrooms and playground filled with students again! This week we start our specials' rotations. We have fantastic options for our students to participate in STEM Lab, PE, Theater, and Library. Our specialists ensure that each week our students get to have an exceptional experience in each of the classes. Be sure to ask your child what special they went to and what they learned! We are so grateful for our amazing Specials teachers!!!

Our Rules at Recess

- Be Respectful
- Be Responsible
- Be Safe

SCAN ME

From the desk of Mrs. Smith

What a great first few weeks back! It has been so fun to catch up with your children on their fantastic summer happenings. We are thrilled this year that we have a new face at our school. Ms. Hannah Hartzell is our school counselor.

She has been at lunch and recess getting to know students. She is a fantastic resource to help with all sorts of things at school; making friends, learning routines and procedures, and so much more! If you feel like your student has a need to see the counselor reach out to your child's teacher for more information! Parents I can't thank you enough for those of you who have already joined our PTA. They do so much for our school. Thank you for supporting!!

Mrs. Morgan, our Assistant Principal

Hi Falcons, I just wanted to review with you our lunchroom procedures. Remember that when you enter the lunchroom it's important to walk. After you find your class' table you will eat for ten minutes before we will flip the card. You are welcome to stay and eat for as long as you would like after the card is green. One of our lunchroom helpers might ask you to move down the row so we can clean and sanitize the tables before the next grade level comes in.

Please make sure to collect all of your garbage. Remember no food is allowed outside. We also don't share food, we want to keep students with allergies safe. If you need anything in the lunchroom just raise your hand, we are always happy to help!

"I can keep myself calm."

Each month we focus on a social skill that helps us be successful at school. Talk with your children about ways you calm down when you are upset

Social Skill of the Month

Volunteers Needed

If you are planning on volunteering for a field trip or in your child's classroom, please be sure to complete the volunteer paperwork. Call the front office for more information.
